When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the company or company shall, in the presence of two other commissioned officers, take an account of what effects he had possessed of, above his personal necessaries, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier.

Art. 24. Any of the officers, as authorized to take care of the effects of deceased officers and soldiers, should, before they have committed to the representatives for the same, have caused to have the regiment or company, or otherwise, they shall, before they be presented to the same, deposit in the hands of the commanding officer, or of the military agent, all the effects of such deceased non-commissioned officer and soldier, in order that the same may be accounted for, and paid to the respective representatives.

DECEASED SOLDIERS.

Art. 25. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 13th Article of War, will be forwarded to the Adjutant General, by the commanding officer of the company to which the deceased belonged, and a duplicate of the same to the nearest of the regimental headquarters of pay, clothing, &c., in day books, will be sent to the Adjutant General with one copy of the inventory. When a soldier dies in the post or station about which his company, it will be the duty of the commanding officer to furnish the required inventory and send the same, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the value of other effects in his possession at the time of his death; which report will be noted on the next muster roll of the company to which the soldier belonged. Such inventory will be endorsed, "Inventory of the effects of _____, late of company (—), regiment of _____, dated at _____, the _____ day of _____, 186—." If a legal representative desires the effects, it will be stated in the report. If the soldier has no effects, the fact will be reported.

Art. 27. In all such cases of sales by the Council of Administration, a report in detail, or account of the proceeds, duly certified by the commanding officer, accompanied by the Paymaster's receipt, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the effects of _____, late of company (—), regiment of _____, who died at _____, the _____ day of _____, 186—."

Art. 28. The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relative of the deceased, before these inventories are sent to the Adjutant General, their value should be attached to the inventories. FINAL STATEMENT

Private John R. Whaley

4th Regt of Ky Inf Mt

VOLUNTEERS.

Died April 24. 1865.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, fee, and the captain or other commanding officer commanding the company will certify to the act of the delivery of the duplicate certificates, on these certificates the Soldier is "credited to" his discharge, and should also present his discharge to the Paymaster to have the payment advanced as it. The discharge is to be given back to the Soldier by the Paymaster, the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the voucher roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the commanding officer of the Soldier's account may be satisfied upon the receipt of these voucher rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and subsequently not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for last pay, fee, accounted by the Adjutant of the Treasury Department.

NOTE 4.—Charges for loss or injury to baggage, horse, equipment, and other necessaries charges, should appear under the heading of "Other Shipments."

NOTE 5.—Money paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Land-own must be entered on the voucher roll on which the discharge, death, desertion, fee, is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for drafted volunteers and drafted men, as well as for others.

NOTE 8.—When a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, to duplicate, to the General Auditor, Washington, D. C.

4.0. *Method*—The study was conducted in a laboratory setting. The participants were 100 students from a large university in the United States. The participants were randomly assigned to two groups: a control group and an experimental group. The control group received a standard lecture on the topic, while the experimental group received a lecture that incorporated the use of the proposed method. The participants were then asked to complete a series of tasks that required them to apply the concepts learned in the lecture. The tasks were designed to measure the participants' understanding of the concepts and their ability to apply them in a practical context. The results of the study showed that the experimental group performed significantly better than the control group on all of the tasks. This suggests that the proposed method is effective in improving students' understanding of the concepts and their ability to apply them in a practical context.

General:

I have the honor to respectfully tender my resignation as First Lieut Company G 4th Regt Wd Infy. for the following reason viz: On the 22nd day of April 1864 I was made an officer of the above Reg't. but-unfortunate for myself I was a poor comer, and by birth and education of a northern state. Prejudices and Envyings of me were constantly rife. and a great obstacle (as intended) in my way of success as an officer of the Reg't.

Statements with utterly false coloring and also false reports concerning my conduct as an officer have gone before the Comdg officer of the Reg't and I regret to say have had their desired effect.

I am now fully convinced that

I can not serve in this Regt. with
honor to myself and honor to my
country, My friends have repeatedly
advised me to tender my resignation.
In view of the facts above stated
and in compliance with the advice I
most respectfully tender my resignation.

Very respectfully,
your most obdt. servt.

complied with the conditions thereof (so far as not
waived by the Government), the charge of desertion
no longer stands against him. The record of the fact
that he was absent in desertion from on or about
October 31, 1862, to on or about April

getting horses to mount my dismounted men I drew
horse equipments enough with the surplus on hand
to equip them. I was compelled on leaving to store
the whole in Nashville. My Quartermaster-Sergeant

and I am desirous of having him transferred as speedily
as possible as I need his services greatly.
I respectfully request an order for Quartermaster-Sergeant

to be mustered in as Quartermaster.

ARTICLE OF WAR.

Art. 25. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have transmitted to the representatives for the same, have caused to have the regiment or troop, by purchase or otherwise, they shall, before they be permitted to take the same, deposit in the hands of the commanding officer, or of the nearest military agent, all the effects of such deceased non-commissioned officer and soldier, in order that the same may be accounted for, and paid to their respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

DECEASED PERSONS.

Reg. 222. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 25th Article of War, will be forwarded to the Adjutant General, by the commanding officer of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventory. When a soldier dies at a post or station distant from his company, it will be the duty of his immediate commander to furnish the Adjutant General, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, giving the date, place, and cause; to what duty he was last paid, and whether or other effects in his possession at the time of his death; and a report will be sent on the next mail-order of the company to which the man belonged. Such inventory will be entered, "Inventory of the effects of _____, late of company _____, Regiment of _____, who died at _____, the _____ day of _____, 1861." If a legal representative makes the effects, it will be stated in the report. If the soldier leaves no effects, the fact will be reported.

Reg. 223. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his death, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

Reg. 224. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly verified by the commanding and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be entered, "Report of the proceeds of the effects of _____, late of company _____, Regiment of _____, who died at _____, the _____ day of _____, 1861."

Reg. 225. The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipt therefor should be attached to the inventory. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

Reg. 226. Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

May 20. 1862

St. Wick's general conduct
as an officer has not been
satisfactory - Not to mention
other instances, he was
drunk when on guard on
the 9th inst. I presented
him the alternative of
resignation or a Court-
martial - preferring
the former as in the
present state of matters
the latter could not be
promptly procured;
& I now request that
the application be for-
warded to the Major Genl.
Commanding the Dept. with such
endorsement of approval or
disapproval by the Genl.
Commanding the Division as he may
decide upon.

Oct 19th 1862

I certify that Capt John L. Williams 4th Regt -
Ky Artillery was wounded in the abdominal
muscles on the 19th day of July 1862 at the battle
of Mill Springs, and further that the wound
was slow in recovering, also that a great number
of boils formed in the muscles of the abdomen.
There is some induration & I suspect some
adhesion of the abdominal muscles impeding
the free and painless use of said muscles.
The abdominal muscles are brought more or
less into action in marching, he has complained
for 2 months of the pain produced in heavy
marching. I would respectfully recommend
he be put on detached service, where his
duties will not be so laborious physically, until
his health is more fully established.

Sir

I herewith forward the certificate of Regimental Surgeon Burdett as to my physical condition and the cause of it, and respectfully ask that the recommendation included in it, be carried out. I do not wish to quit the service, while I am able to be of any benefit to my country, and at the same time I feel that justice to myself and my family requires that I ask that be put in some position where I can do my full duty without subjecting myself to the exposure which an active winter campaign would entail upon me. So soon as sufficient rest shall have removed the effects of my wound, I would be glad to return to my company.

Thursday last quite unwell, I have had for the last 10 days, something like Col. Bixton. I feel that I am about well now from the disease, though my Physician says I ought to keep quiet for several days yet. I shall go sometimes during the week to look after the men belonging to Co. D. & H. I have found 3 men of my company that will reach the Regt. by the time this does. It is not safe yet to visit those Counties in which Co. B. & I were recruited; our troop are moving out into eastern N.Y., and I can get there by the time I get through the trip I will mention.

I have not seen any of our recruiting officers since I left the Regt. but from all the information I can get they are not likely to raise many recruits. I saw a gentleman today, who is just from Cornington & has been stirring with W. R. Lewis since he has been there.

Col

Your telegram is just received, which I have partially answered. I wrote to Maj Kelly several days since, giving him my reasons for not having reported sooner than this.

I think the first-duty of any man is to see to the wants and comfort of his family, which I have been trying to do. After seeing you in Paris I went to Cincinnati to get some articles that were absolutely necessary for my family to have.

On my return home I found one of my children very ill with Pneumonia, and for 6 or 7 days and nights I was filled my clothes off. because of her illness, and having to give her my undivided attention. I would have been in camp a week ago but for this, and feel that I have done right in the premises.

I have not absented myself from the Regt for any other reason than from a sense of duty, and as reported to Maj Kelly by letter knowing he was in command of the Regt and you were in Paris I shall be with my command just as soon as I possibly can, Hoping my reasons are good.

We certify, on honor, That we have carefully examined the above-named Volunteer Substitute agreeably to the Regulations, and that, in our opinion, he is free from all bodily defects and mental infirmity which would in any way disqualify him from performing the duties of a soldier; that he was entirely sober when enlisted, that he is of lawful age, (not under 18 years) and that, accepting him as duly qualified to perform the duties of an able-bodied soldier, and as a substitute in lieu of James Smith of Lexington, Ky, we have strictly observed the Regulations which govern in such cases. Col. John C. Cropton,

Dear Sir,

Your Communication regarding me from all society has been received. You are right in supposing that I am not in the best of health. My condition is such that I am unable to stop in the regiment now so great I sent in my resignation immediately. I do not wish to be restored to my command at all, but desire to be permitted to resign, and any thing that you can do to hasten my release will be kindly received. I am not conscious of having at any time since I have been in the service, helped by neglecting my duty; but feel that I have accidentally neglected my duty. To do so, I am so much averse to remaining where I am, I think the service would be benefited by my removal. Hoping that you will do what you can to give leave me on tomorrow or the day after. I am respectfully,
Yours sincerely,
R. S. Williams.

Chief Department,

Adjutant General's Office,

Washington, May 27, 1865.

Sir:

In reply to your letter requesting a Descriptive List of William
William, a Private in Company H, 4th
Regiment of Artillery, I have the honor to furnish the
following "Descriptive List" claimed from the records of this Office: which, from the
want of the necessary data, (which is in the possession of the Company Commander,)
is only "partial."

NAME, RANK AND REGIMENT, DESCRIPTION, &c.
William, I. William, a Private in Company H
4th Regiment of Artillery, Volunteers, is
years of age; but no further "description" can be obtained from the files of this Office.
He was enlisted on the 1 day of July, 1861,
as the son of Capt Kelly, in the State of Pa.,
by Capt Kelly, and mustered into the service of the United
States on the 19 day of July, 1861, at the
town of Camp O'Hara, in the State of Pa. 3
years.
by Mrs. H. H. H., to serve for the period of
and "during the war."

ACCOUNT OF PAY.

It is stated on the Muster Roll of his Company for the months of
May, June, July, & August, that he was last paid by Paymaster
Major C. H. H. to the 30 day of
April, 1864.

ACCOUNT OF CLOTHING.

The file of this Office furnish no account of clothing: it must be obtained, if
claimed as all from his Company Commander.

REMARKS.

Enlisted and Paid July 1st 1861
Mar. 30 1864

Very respectfully,

Yours obedient servant,

Samuel D. Weeks

Assistant Adjutant General.
(7)

By Capt. H. H. H.
M. H. H.
Respectfully

This "Partial Descriptive List" is given in order that the soldier may be discharged as such, without waiting for a descriptive list from his company
commander; and, having been used by the proper officer to make out the soldier's final statement, should be returned with that statement to that officer by
this office. This endorsement should contain a full statement of the time for which the soldier was allowed pay on his final statement, the clothing
account, and all other charges against him or in his favor, so as to complete a complete statement of his account. It will then be transmitted to the
company commander of his company, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the
soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled
upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not
appear on his final statement from the fact that this list is incomplete or "partial."

Yours
H. H. H.

FINAL STATEMENT

or
Pr. Benjamin Willoughby
H. Regt of Kentucky Inf MTD
Vol VOLUNTEERS. "C"
Died March 26 1865

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, Ar., due him, and the captain or other commanding officer commanding the company will certify to the act of the delivery of the duplicate certificate; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his home, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so situated on his own home.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowance that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, Ar., recorded by the 2^d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to arms, horse equipments, and other necessaries charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Accounts due the Soldier and Landwarrant must be entered on the master roll on which the discharge, death, desertion, Ar., is reported, as well as on the final statement, wherever the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for drafted volunteers and drafted men, as well as for others.

NOTE 8.—When a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, to the General Auditor, Washington, D. C.

4538-D. 1884

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disability, wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or officers of other ranks having such knowledge, will be appended to the report in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a private case for pension, special care should be taken to state the degree of disability—on & & & &—to describe particularly the disability, wound, or disease, the extent of which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of disability. In the case of discharges by Medical Inspectors, the paragraph will state that the "discharge was given on the ground of the soldier, after a personal examination, for disability, the nature, degree, and origin of which are fully described in the within certificate."

For this Regulation, Eds. 1864.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, chronic rheumatism, disengagement of the urinary organs, catarrhs, ulcers, or any chronic disease likely to be long or permanently protracted; and in no case shall the certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the company to which he belongs, and sent by him to the surgeon in charge of the hospital where the soldier is sick. The company commander will fill out and sign the surgeon's certificate, and forward the papers to the regimental detachment, or post commander, who will forward them, with his own endorsement thereon, through the proper channel, to his division commander, or, if the troops are not attached to a division, to his corps, department, or other commander, or, if there is no such authority, to discharge without any further endorsement.

These certificates, after having received the action of the proper authority to which they are required to be sent, will be sent through the same channel to the regimental, post, or post commander, who will, if the discharge is authorized by the proper authority, sign the soldier's discharge, and forward the papers and certificate on this paper; or that the soldier is to be discharged, direct to the Adjutant General United States Army, Washington, D. C.; they will not, under any circumstances, be sent to the hands of the soldier.

ARTICLES OF WAR.

Art. 15. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the company or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his personal necessaries, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. No one of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to the Department for the same, have occasion to leave the regiment or company, or otherwise, they shall, before they be permitted to do so, deposit in the hands of the commanding officer, or of the adjutant general, all the effects of such deceased non-commissioned officer or soldier, in order that the same may be accounted for, and paid to the proper representatives.

INSTRUCTIONS.

Art. 1.—One copy of the inventory of the effects of deceased non-commissioned officers and soldiers, required by the 15th Article of War, shall be forwarded to the Adjutant General, by the commanding officer of the company in which the deceased belonged, and a duplicate of the same to the adjutant of the regiment. Final statements of pay, clothing, &c., in such cases, will be sent to the Adjutant General with one copy of the inventory. Both inventory and final statements should be forwarded, as soon as possible, through Regimental Headquarters. When a soldier dies, or is killed, from his company, it will be the duty of his commanding officer to furnish, direct to the Adjutant General, the inventory and final statements, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was paid, and the money or other effects in his possession at the time of his death; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be headed, "Inventory of the effects of _____, late of company _____, regiment of _____, who died at _____, the _____ day of _____, 186____." If a legal representative survive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported on the inventory.

Art. 2.—Should the effects of a deceased non-commissioned officer or soldier be administered upon within a short period after his death, such to be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they be claimed by the legal representatives of the deceased.

Art. 3.—In all such cases of moneys by the Council of Administration, a report in detail, or account of the proceeds duly certified by the adjutant and commanding officer, (Form A.) accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of _____, late of company _____, regiment of _____, who died at _____, the _____ day of _____, 186____."

Art. 4.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relative of the deceased, these inventories are sent to the Adjutant General, their proper duplicates should be attached to the inventories. In all other cases, they will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

Art. 5.—Particular care should be taken to take receipts in duplicate from the Paymaster for any moneys turned over to him; one copy should be forwarded to the Adjutant General and one retained by the officer.

ARTICLES OF WAR.

ART. 31. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he had possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their superiors for the same, have occasion to leave the regiment or troop, by promotion or otherwise, they shall, before they be promoted or sent to the same, deposit in the hands of the commanding officer, or of the nearest military agent, all the effects of such deceased non-commissioned officer and soldier, in order that the same may be accounted for, and paid to, their respective representatives.

ARMY REGULATIONS—SECTION OF THE.

DECEASED OFFICERS.

REG. 22. Invention of the effects of deceased non-commissioned officers and soldiers, required by the 31st Article of War, will be forwarded to the Adjutant General, by the commanding officer of the company to which the deceased belonged, and a duplicate of the same to the extent of the report. These statements of pay, clothing, &c., will be sent with the inventory. When a soldier dies at a post or station above him in position, it will be the duty of his immediate commander to furnish the Adjutant General, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his death, which report will be noted on the next muster-roll of the company to which the man belonged. Such inventory will be endorsed, "Inventory of the effects of _____, late of company (-) _____, regiment of _____, who died at _____, the _____ day of _____, 1868." If a legal representative claims the effects, it will be stated in the report. If the soldier leaves no effects, the fact will be reported.

REG. 23. Should the effects of a deceased non-commissioned officer or soldier not be claimed within a short period after his death, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, or the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

REG. 24. 1.—This blank will be used for both enlisted men and non-commissioned officers of regiments, etc., etc., in the volunteer service. They will be made out in duplicate—one to accompany the returning ticket of the recruit (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer to the Adjutant General. The Adjutant General and Company in which the soldier has served should be given on the back.
 2.—An enlisted man to service. A man-in-arm, in all cases, precede payment of pay, bounty, pension, etc. A man-in-arm must, in all cases, be filed with the Adjutant General's Office as evidence of service. The recruiting officer, commissary, or assistant commissary of recruits, as the case may be, will accompany both as he having received the soldier into the service of the United States before either of them is given to the recruiting officer.

 Surgeon General
 Wm. D. Beck
 Garrison, Mass.

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a show, price but from not giving any
 commander's and, having been used by the proper officer to make out a full statement of the facts for which the soldier was allowed pay on his final statement, the clothing
 receipt, and all other charges against him or in his favor, as to complete a complete exhibit of his account. It will then be transmitted to the
 company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the
 soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled
 upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not
 appear on his final statement from the fact that this list is incomplete or "partial."

This "Partial Discharge Lien" is given in order that the soldier may be discharged at once, without waiting for a check. The soldier's final statement, should be endorsed with a statement to that effect by his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the master roll upon which the soldier's discharge is reported. The object of this is that the remaining portion of the soldier's account may be settled upon the receipt of these master rolls, and the soldier receive his pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that he was discharged before the receipt of his pay or allowances.

СТАТЬИ

I CERTIFY, ON HONOR, That I have carefully examined the above-named Volunteer, presumably to the General Regulations of the Army, and that, in my opinion, he is free from all bodily defects and disqualifications, which would in any way disqualify him from performing the duties of a soldier.

CONSTITUTION ON HONOR, That I have minutely inspected the Volunteer, William D. Gray, previously to his enlistment, and that he was entirely sober when admitted that, to the best of my judgment and belief, he is of lawful age; and that, in accepting him as duly qualified to perform the duties of an able-bodied soldier, I have minutely observed the Regulations which govern the recruiting service. This soldier has blue hair, gray eyes, dark complexion, is 3 feet 6 inches high.
